

Integrated Services, Inc. Nominated for 2009 Microsoft Partner of the Year Awards

Dallas, TX — April 10, 2009 — Integrated Services, Inc. (ISI) today announced it has been nominated for the third year in a row for Microsoft Corp.'s Worldwide Partner of the Year Award in two categories: Data Management and Information Worker Solutions. The Microsoft Partner Program Awards recognize Microsoft Partners that have developed and delivered exceptional Microsoft-based solutions over the past year. ISI was the 2008 Data Management winner and 2007 Business Intelligence finalist chosen from a field of approximately 2000.

ISI was nominated for their SQLRx[®] RemoteDBA[®] solution as well as for the new SharePoint Line of Business (LOB) Integration Framework ("IF"). SQLRx RemoteDBA is based on the 2008 award winner, SQLRx, and is a preventive monitoring service to assure optimal performance for SQL Server Environments. It monitors over 200 standard DBA functions to assure both SQL Server and its Windows Environment are operating at optimal levels.

ISI's Line of Business Integration FrameWork automates workflow and activity between LOB Applications and SharePoint. IF allows customers to complete and manage work inside the collaborative and automated environment of SharePoint, and return the results as needed, automatically back to LOB systems. IF also provides a substantial cost savings to customers, avoiding expensive ERP modules, customizations or upgrades.

About Integrated Services, Inc.

Since 1985, ISI has been a recognized leader in delivering IT strategy and architecture solutions for Fortune 500 and high growth companies in the greater Dallas/Fort Worth market. Our focus is on "Turning Data into Profit." With Big 6 disciplines, much of ISI's success is attributed to its depth in project and client management, which is made available to ISI clients with the flexibility and cost effectiveness of a smaller, regional firm. Leveraging Microsoft platforms, ISI delivers powerful and cost-effective self-service solutions to get the "Right Data, to the Right People, at the Right Time," assuring ISI clients of maximum benefit and ROI. ISI has received numerous awards from its partners, including 2008 Global Partner of the Year in Data Management, Marketing Excellence and Teamwork Awards from Microsoft. ISI is also the founding sponsor of the DFW SharePoint Users Community. To learn more about ISI, go to www.isi85.com.
