

ISI Ranked 42nd Best Small Company to Work for by *Dallas Business Journal*

[Dallas, TX – September 18, 2009] - The *Dallas Business Journal's Best Places to Work*, now in its seventh year, is a highly sought-after designation. More than 400 companies in North Texas competed for the honor this year. Companies that earned the distinction of a “Best Places to Work” were recognized at an awards luncheon on September 17 at the Hotel Intercontinental.

Winning companies were selected by the aggregate score of employee surveys as administered by the independent research firm Quantum Workplace. Companies that achieved best-practice scores were selected as the *Dallas Business Journal's Best Places to Work*. Best practice scores are determined by national industry standards and vary by company size. Small companies with 10 to 100 North Texas employees who scored 90 or higher on the survey made the cut. ISI scored 93.72, earning the rank of number 42 out of 100 small companies designated as a Best Place to Work.
