**Integrated Services, Inc. Counted Among Top Finalists for the  
2007 Microsoft Partner of the Year Award in  
Data Management Solutions, Business Intelligence**

**DALLAS, TX— June 12, 2007—** Today, Integrated Services, Inc. (ISI) announced it has been selected as a finalist for Microsoft Corp.'s Partner of the Year Award in Data Management, Business Intelligence. Winners for the 2007 Microsoft Partner Program Awards, which recognize top Microsoft Partners delivering market-leading, Microsoft-based solutions, will be announced July 11 in Denver, Colorado at the Microsoft Worldwide Partner Conference.

“We are honored to have been nominated and even more so to be a finalist. This is a nice validation of ISI's approach leveraging the Microsoft framework as a cost effective BI solution,” said Dan Hooper, Principal with ISI.

Awards will be presented in a number of categories, with winners chosen from a pool of more than 1,800 entrants worldwide. The Data Management Solutions, Business Intelligence Partner of the Year award is designed to provide recognition to partners that provide solutions in data warehouse/business intelligence. The winning partner's solution will improve organizations by providing business insight to all employees leading to better, faster, and more relevant decisions.

“We have a diverse and talented partner ecosystem that each year raises the bar in the design and deployment of customer solutions built on Microsoft technologies,” said Allison L. Watson, corporate vice president, Microsoft Worldwide Partner Group. “We are pleased to recognize ISI as one of our partners leading the field in this category.”

ISI is a Microsoft Gold Level partner concentrating in designing Portal, Business Intelligence and Automation solutions. Leveraging Microsoft platforms, ISI delivers a powerful and cost-effective self-service business intelligence solution to get the "Right Data, to the Right People, at the Right Time," assuring ISI clients of maximum benefit and ROI. Designated by Microsoft as a “Managed Partner,” ISI is one of a handful of consulting firms considered a “Go-To Partner” for architecting and deploying Microsoft technologies.

The Microsoft Partner Program Awards recognize Microsoft Partners that have developed and delivered exceptional Microsoft-based solutions over the past year.

**About Integrated Services, Inc.**

For over 22 years, ISI has been a recognized leader in delivering IT strategy and architecture solutions for Fortune 500 and high growth companies in the greater Dallas/Fort Worth market. Our focus is on “Turning Data into Profit.” With Big 6 disciplines, much of ISI's success is attributed to its depth in project and client management, which is made available to ISI clients with the flexibility and cost effectiveness of a smaller, regional firm. ISI has received numerous awards from its partners, including Marketing Excellence and Teamwork Awards from Microsoft. ISI is also the founding sponsor of the DFW SharePoint Users Community for Microsoft's Sharepoint technologies. To learn more about ISI, go to [www.isi85.com](http://www.isi85.com).
