Integrated Services, Inc. Attains Gold Certified Partner Status In Microsoft Partner Program

*ISI Further Distinguishes Itself by Earning Microsoft Competencies
In Business Intelligence and Information Worker Productivity Solutions*

Dallas, TX — September 28, 2006 — Integrated Services, Inc. (ISI) today announced it has attained Gold Certified status in the Microsoft Partner Program with competencies in Business Intelligence (BI) and Information Worker Productivity (IW) Solutions, recognizing ISI's expertise and total impact in the technology marketplace. ISI has been named a Microsoft Gold Certified Partner due to its proven track record of customer satisfaction and competence in leveraging Microsoft technologies to provide high quality solutions that will help customers better manage and capitalize on their company's data.

Based in Dallas and founded in 1985, ISI is a recognized leader in designing enterprise solutions for Business Intelligence, SharePoint and Application Development. Designated by Microsoft as a "Managed Partner," ISI is one of a handful of consulting firms considered a "Go-To Partner" in the Dallas/Fort Worth market.

"We are extremely pleased to have added Gold Certified status to our Microsoft relationship. This allows us to continue to advance our expertise in providing high impact data and strategy solutions to our customers," said Dan Hooper, Principal and VP Sales & Marketing. "The benefits provided through our Gold Certification allow us deeper access into Microsoft to continue to enhance the offerings that we provide for customers."

"Customers are looking for partner companies that can bridge the gap between their business demands and technology capabilities. They need to trust in firms like ISI who can act as an expert adviser for their long-term strategic technology plans. Microsoft Gold Certified Partners, which have certified expertise and direct training and support from Microsoft, can build a positive customer experience with our technologies," said Allison Watson, Vice President of the Worldwide Partner Sales and Marketing Group at Microsoft Corp.

About Integrated Services, Inc.

For over 20 years, ISI has been a recognized leader in delivering IT strategy and architecture solutions for Fortune 500 and high growth companies in the greater Dallas/Fort Worth market. Prior to founding ISI in 1985, ISI's principal consultants spent long and successful careers at Andersen Consulting. With Big 6 disciplines, much of ISI's success is attributed to its depth in project and client management, made available to ISI clients with the flexibility and cost effectiveness of a smaller regional firm. ISI has received numerous awards from its partners, including Microsoft's Marketing Partner Award. ISI is also the founding sponsor of the DFW SharePoint Users Group for Microsoft's Sharepoint technologies. To learn more about ISI, go to www.isi85.com.
